Mark of the Beast Adolphus A. Anekwe

Mark of the Beast: A searing medical thriller by Adolphus A. Anekwe, a renowned doctor, about the ramifications of isolating a gene that causes violent behavior

Dr. Regina Dickerson is a Catholic physician in San Diego who has discovered that there is a certain genetic marker that indicates the carrier is prone to psychotic violence. Working on blood from prison inmates, her theory begins to prove itself time and again with violent offenders. The variety of crimes is diverse: one couple murders their children for organ money, another man kidnaps young girls to seduce and kill them, yet another has a penchant for cyanide.

As Dickerson's work begins to show results and catches the attention of the media, people begin to fear that witch hunts and Spanish Inquisition–style mayhem will result if forcible testing is carried out. Meanwhile, a race begins to find a cure. With science and religion at odds, Dickerson must find her own answers while trying to escape those who want to put an end to her inflammatory research.

From reader reviews:

Leslie Hackett:

Do you have favorite book? Should you have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each guide has different aim or goal; it means that publication has different type. Some people feel enjoy to spend their time and energy to read a book. They can be reading whatever they take because their hobby is definitely reading a book. Think about the person who don't like studying a book? Sometime, person feel need book whenever they found difficult problem or even exercise. Well, probably you will need this Mark of the Beast.

Horace Godbolt:

What do you consider book? It is just for students since they're still students or that for all people in the world, what the best subject for that? Only you can be answered for that query above. Every person has distinct personality and hobby for each other. Don't to be compelled someone or something that they don't wish do that. You must know how great along with important the book Mark of the Beast. All type of book would you see on many resources. You can look for the internet methods or other social media.

Joyce Cassady:

Playing with family in a very park, coming to see the marine world or hanging out with pals is thing that usually you could have done when you have spare time, in that case why you don't try thing that really opposite from that. A single activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love Mark of the Beast, you may enjoy both. It is good combination right, you still need to miss it? What kind of hangout type is it? Oh can occur its mind hangout guys. What? Still don't get it, oh come on its known as reading friends.

Robert Berman:

Do you have something that you enjoy such as book? The reserve lovers usually prefer to decide on book like comic, short story and the biggest you are novel. Now, why not attempting Mark of the Beast that give your fun preference will be satisfied simply by reading this book. Reading habit all over the world can be said as the way for people to know world far better then how they react in the direction of the world. It can't be stated constantly that reading practice only for the geeky man but for all of you who wants to always be success person. So , for all of you who want to start examining as your good habit, you can pick Mark of the Beast become your own personal starter.
