Where Home Is (The Laramie Series Book 3) Karen J. Hasley

The year is 1910. Katherine Davis, M.D. is an intelligent, self-assured, and attractive woman whose confidence perfectly reflects the confidence of a new century overflowing with scientific, medical, and technological breakthroughs. Without a moment's hesitation, young Dr. Davis accepts the professional invitation of a lifetime when she travels to Chicago's Hull-House to work with the celebrated social reformer, Jane Addams. Katherine is an excellent doctor eager to make a difference in the world and the people around her, and Chicago's crowded tenements with their burgeoning immigrant population offer just that opportunity. Everything Katherine believes about right and wrong, about good and evil she learned from her parents and the secure childhood they gave her. But times have changed, and Katherine can no longer rely on the values of the past. She has outgrown that past and the home of her childhood seems outdated and old-fashioned compared to the progressive society around her. She's an independent woman, who must make her own way and follow her own ideals. When Katherine meets the dazzling Douglas Gallagher, a man as confident and as fearless as she, a successful man who has left his own past behind, an uncompromising-even ruthless-man, she is asked to choose between her past and her future. And the choice is so much more complicated than she expected! Because for Katherine, deciding where-and who-home really is will change her forever. And for good.

From reader reviews:

Sandy Holiday:

This Where Home Is (The Laramie Series Book 3) is great guide for you because the content that is full of information for you who all always deal with world and possess to make decision every minute. This kind of book reveal it info accurately using great plan word or we can declare no rambling sentences within it. So if you are read the item hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but challenging core information with attractive delivering sentences. Having Where Home Is (The Laramie Series Book 3) in your hand like finding the world in your arm, details in it is not ridiculous 1. We can say that no reserve that offer you world in ten or fifteen small right but this e-book already do that. So , this is certainly good reading book. Hi Mr. and Mrs. occupied do you still doubt in which?

Suzanne Brooke:

Beside that Where Home Is (The Laramie Series Book 3) in your phone, it might give you a way to get nearer to the new knowledge or details. The information and the knowledge you may got here is fresh from oven so don't become worry if you feel like an older people live in narrow commune. It is good thing to have Where Home Is (The Laramie Series Book 3) because this book offers for you readable information. Do you occasionally have book but you rarely get what it's about. Oh come on, that won't happen if you have this within your hand. The Enjoyable blend here cannot be questionable, like treasuring beautiful island. Use you still want to miss the idea? Find this book and also read it from at this point!

Carlos Quirk:

In this particular era which is the greater particular person or who has ability to do something more are more valuable than other. Do you want to become among it? It is just simple solution to have that. What you need to do is just spending your time not much but quite enough to have a look at some books. One of the books in the top listing in your reading list will be Where Home Is (The Laramie Series Book 3). This book which is qualified as The Hungry Slopes can get you closer in becoming precious person. By looking upwards and review this e-book you can get many advantages.

Jean Fair:

As a college student exactly feel bored to reading. If their teacher inquired them to go to the library or to make summary for some guide, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that examining is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Where Home Is (The Laramie Series Book 3) can make you really feel more interested to read.
