Brett has what every guy wants.

He's a billionaire with a great company, a smoking hot wife that is the envy of others, and a great life. But the truth is, behind all of the glitz and glam,

Brett isn't happy.

He's resorted to cheating to help fill the void his wife Carol leaves, but it still doesn't satisfy him. Brett feels depressed, unsure of what to do, and most of all hurt.

Not knowing of Brett's depression, Carol decides to hire a butler named Curtis, who is more than just a butler. He is a black **Dominant** ex-navy seal who seems a bit...off.

Upon growing a relationship with Curtis, Brett realizes that he has strong feelings for the man, even though he has never thought of another man in that light. After confessing to Curtis that he is miserable and is severely depressed, Brett finds a surprisingly comforting energy from him. Soon, Brett realizes that he feels something more, and is conflicted with the result.

Now Brett must make a decision,

To stay with the awful woman he wed, or choose a life with the older more dominant Alpha Male Ex-Navy Seal that he desires...
