It sets the New American Standard Bible with its 'literal correspondence' approach side by side with the New International Version and its 'dynamic equivalency' approach, allowing you to easily compare the two translations. It directly relates Greek words in the Nestle's Greek text to their corresponding translations in the NASB and NIV texts. And it allows easier reading of the Greek New Testament. These advantages offer you a better understanding of the Bible. This proven study tool uses Alfred Marshall's interlinear English text -- the standard, widely used literal translation of the Nestle's Greek text, 21st edition. A generation of students, pastors, and scholars has relied on Marshall's renowned contribution to biblical study. The Interlinear NASB - NIV Parallel New Testament brings it to you in a parallel format that will bring new depth, perspective, and insight to your Bible studies.
