Country music god Beau Mason has just announced his retirement from the business at age 30, and I've just scored the interview of a lifetime. My network is flying me to Kentucky for his final interview, and at his request, I'll be spending a few days with him at his ranch.

I should be thrilled. But I'm not.

Beau and I have a history, and I haven't seen him since he obliterated my heart at the tender age of eighteen. I don't think I can do this. I don't think I can see him again.

But I don't have a choice. My career – my promotion – my dignity. Everything rests on this one interview with the man who turns me into liquid desire and corded steel resentment all at the same time.

It's just a few days, right? What's the worst that could happen?

**PLEASE NOTE:** This is a stand-alone, full-length romance novel with NO cliffhanger. Contains a dominating alpha male hero and scenes of a sexual nature. Please be 18+. You do NOT have to read NEVER KISS A STRANGER first, though it is based on a secondary character from that story and may contain minor spoilers.
