## **About '*The Pickwick Papers*' by Charles Dickens**

The Posthumous Papers of the Pickwick Club (also known as The Pickwick Papers) is Charles Dickens's first novel. The novel's main character, Samuel Pickwick, Esquire, is a kind and wealthy old gentleman, the founder and perpetual president of the Pickwick Club. To extend his researches into the quaint and curious phenomena of life, he suggests that he and three other "Pickwickians" (Mr Nathaniel Winkle, Mr Augustus Snodgrass, and Mr Tracy Tupman) should make journeys to places remote from London and report on their findings to the other members of the club.
