A Scandalous Charade: Scandalous Series, Book 2 - Plus Bonus Novella! (Volume 2) Ava Stone

A Regency Historical Novel - Book Two of the Scandalous Series... Handsome ladies' man Lucas Beckford has agreed to help his friend, an impoverished baron, win the affections of an icy heiress. It should be a simple task, especially for a seducer of his reputation. However when Luke catches sight of the enchanting lady, he is captivated with her pretty brown eyes, quick wit, and sharp tongue; and his desire to see his friend marry the girl quickly evaporates. Now he just has to find a way to convince the penniless lord to turn his attentions elsewhere—leaving the Ice Princess to him. Lady Juliet St. Claire has always believed that her fortune would protect her from ever having to relinquish her freedom in marriage. Though fortune hunters endlessly hound her, Juliet's outwardly cold demeanor keeps most of them at bay, licking their wounds or patching up their pride. However when Luke charms his way into her life, he easily melts more than just her heart. Unfortunately, the rogue is of the love 'em and leave 'em variety, and leaves Juliet's tender heart in pieces. But when her fortune lands her in danger from an unscrupulous foe, Luke returns to her side, offering his help and protection. Now Juliet has to decide if her heart is strong enough to trust the rogue a second time. Plus! Bonus Novella - A Scandalous Secret Chester Peyton, the Marquess of Astwick, has never forgotten his first love. Nor has he ever gotten over her. But now thirteen years later, time has come for him to finally settle down and do his duty as far as both his title and his dragon of a mother are concerned. Everything would be so much easier if Chet's heart didn't still belong to the enchanting Scot he gave it to once upon a time. After following her late-husband's regiment from one end of the continent to the other, Lady Hannah Campbell returns to London a very different woman than the naïve lass she once was. With her two sons in tow, she now has to navigate the waters of the ton, which seem more foreign than the lands she has traversed the last dozen years. And all the while, she has to keep hidden the scandalous secret that made her flee England so very ago.
