Beatrix Jeanette Winter

Captures the artist's life and work

Beatrix Potter's childhood was characterized by a distinctly Victorian mixture of privilege and neglect. Her parents were distant and distracted, so she was left largely to her own devices. She found companionship in nature, in the small animals she met in the family's garden and in the countryside on summer visits. And she found happiness in drawing and writing stories about her animal friends, later the inspiration for *The Tale of Peter Rabbit* and her twenty-two other books.

Beatrix Potter's own words, taken from her letters and journals, are incorporated in Jeanette Winter's book -- just slightly larger than Beatrix Potter's little books -- and this portrait pays a glowing tribute to the grande dame of children's literature.

From reader reviews:

David Binkley:

Reading a publication tends to be new life style in this particular era globalization. With reading through you can get a lot of information which will give you benefit in your life. Having book everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire their particular reader with their story as well as their experience. Not only the storyplot that share in the textbooks. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors nowadays always try to improve their proficiency in writing, they also doing some research before they write to their book. One of them is this Beatrix.

Anthony Doucet:

The book Beatrix has a lot details on it. So when you read this book you can get a lot of help. The book was published by the very famous author. Tom makes some research previous to write this book. This book very easy to read you will get the point easily after reading this article book.

Erna Taylor:

Reading can called mind hangout, why? Because if you find yourself reading a book specially book entitled Beatrix your mind will drift away trough every dimension, wandering in every aspect that maybe unidentified for but surely will end up your mind friends. Imaging every single word written in a guide then become one type conclusion and explanation this maybe you never get just before. The Beatrix giving you a different experience more than blown away your brain but also giving you useful details for your better life in this era. So now let us explain to you the relaxing pattern this is your body and mind is going to be pleased when you are finished looking at it, like winning a casino game. Do you want to try this extraordinary shelling out spare time activity?

Dora Mohammed:

Your reading 6th sense will not betray anyone, why because this Beatrix reserve written by well-known writer who knows well how to make book that can be understand by anyone who also read the book. Written with good manner for you, still dripping wet every ideas and producing skill only for eliminate your hunger then you still skepticism Beatrix as good book but not only by the cover but also by the content. This is one publication that can break don't determine book by its cover, so do you still needing a different sixth sense to pick this!? Oh come on your reading through sixth sense already said so why you have to listening to an additional sixth sense.
