Mortal Remains

Kathy Reichs

Mortal Remains Kathy Reichs

John Lowery was declared dead in 1968, the victim of a Huey crash in Vietnam, and buried in North Carolina. Four decades later, Temperance Brennan attends the scene of a drowning in Hemmingford, Quebec. The corpse is identified as John Lowery. But how could Lowery die twice, and how did an American soldier end up in Canada? Tempe exhumes Lowery's grave in North Carolina and takes the remains to the U.S. military in Hawaii for reanalysis. Soon another set of remains is located - complete with Lowery's dog tags. Three bodies - all identified as Lowery... Then Tempe is contacted by Honolulu's medical examiner, needing help identifying the remains of an adolescent boy found offshore. Is he the victim of a shark attack? Or something more sinister?
