The Manager's Instant Guide to Sustainability Mary L. Walsh

The Manager's Instant Guide to Sustainability is designed for your convenience as a reference guide that covers the basics about sustainability. Offered for easy access as an ebook, you and your staff can have this up-to-date reference at your fingertips. Key topics range from best practices and case studies, measurement, creating a plan, staffing and the specific benefits that sustainability offers local government. A glossary and listing of key resources for learning more is also included. Sustainability is fast becoming a standard yardstick for managers to measure progress on a wide range of challenges. This guide pulls together everything you need to get started -or renew -your own sustainability plan.
