Flop, Turn, River: A Hand-By-Hand Analysis of No Limit Hold 'em Tournament Poker Strategies Lee Nelson, Tyson Streib, Tony Dunst, Dennis Watterman, Joe Hachem

For anyone who has ever read a strategy book on no-limit hold 'em or played in a tournament, *Flop, Turn, River* is the perfect next step to test your knowledge, challenge your mind, and improve your skills.

If you possess a solid foundation in the game—knowing the rules, terminology, and culture—and are fairly familiar with its strategies, but haven't quite gotten over the hump to intuitive play, this book will take you to a much higher level for each of the five stages of tournament play.

Flop, Turn, River's 75 problems, 125 table graphics, and more than 150 playing decisions will help you identify your strengths—which will build your confidence in high-pressure situations—and pinpoint your weaknesses, so you can further focus on improving those areas of your game.

By the time you're finished unraveling the poker scenarios in this book by the authors of *Kill Phil*, *Kill Everyone*, and *The Raiser's Edge*, you'll be much better prepared to face whatever circumstances arise in a poker tournament, from the first hand of a \$10 buy-in at your local casino to the last hand at the final table in the Main Event of the World Series of Poker.
