## **Air Force Two: Going Rogue** Jeff Pollard

When Vice President Sarah Palin (Goose) meets Vladimir Putin (Pootsy), she accidentally sets off a chain-reaction of international incidents (Oopsie-daisies) culminating in a Russian attack on Alaska. In the middle of the crisis, President McCain (Maverick) suffers a brain aneurysm (goes insane in the membrane), making Sarah Palin the President of the United States.

The Palin family (including Sarah's second pregnant teenage daughter) boards Air Force Two for a historic trip to Washington where she will become the first female President (if you don't count Franklin Pierce) and confront Vladimir Putin head-on.

En route to D.C., Air Force Two is hijacked and the Palin family is taken hostage. Can Sarah Go Rogue and save the day?

Can Sarah Palin save both her family AND her country? Will she ascend to the highest office in the land? Or will Speaker of the House Nancy "Crazy Eyes" Pelosi become President?

Will the pregnant teenager give birth right at the climax of the action? Will Sarah learn the difference between North and South Korea? Will she finally realize that President Ford and Harrison Ford are not the same person? All these questions and more will be answered in the epic tale: Air Force Two: Going Rogue.
