Bridges L.P. Sloan

Nominated for multiple literary awards, BRIDGES has been called "poignant, sentimental yet down-to-earth, and just plain beautiful." It has been compared with Harper Lee's classic, "To Kill a Mockingbird."

Chesapeake is a sleepy place in June of 1953. Construction on the O'Bannion River Bridge is on schedule and almost half complete, but outside circumstances threaten to slow its progress to a crawl. The engineers assume a company bureaucrat will appear to solve the problem, but it's seven-year-old Lindy who proves the unlikely heroine. Unforgettable characters such as Mrs. Wyndham, Daddy Newport, Mr. O' Malley, Lindy and her father all live on in Bridges. If ever in your heart's travels you cross a bridge of your own, you'll find Lindy's legacy of steel, sweat and love still hovering over the waters.

From reader reviews:

Jerry Brock:

Throughout other case, little folks like to read book Bridges. You can choose the best book if you like reading a book. Given that we know about how is important some sort of book Bridges. You can add expertise and of course you can around the world by the book. Absolutely right, due to the fact from book you can realize everything! From your country until eventually foreign or abroad you will find yourself known. About simple point until wonderful thing you can know that. In this era, we can open a book or maybe searching by internet product. It is called e-book. You can use it when you feel fed up to go to the library. Let's learn.

Jimmy Hicks:

Are you kind of occupied person, only have 10 as well as 15 minute in your day time to upgrading your mind proficiency or thinking skill even analytical thinking? Then you are receiving problem with the book than can satisfy your small amount of time to read it because pretty much everything time you only find e-book that need more time to be go through. Bridges can be your answer as it can be read by anyone who have those short spare time problems.

Harry Oliver:

Is it you who having spare time then spend it whole day through watching television programs or just resting on the bed? Do you need something new? This Bridges can be the respond to, oh how comes? A book you know. You are and so out of date, spending your time by reading in this completely new era is common not a nerd activity. So what these guides have than the others?

Jennie Groth:

What is your hobby? Have you heard which question when you got college students? We believe that that question was given by teacher on their students. Many kinds of hobby, Every individual has different hobby. Therefore you know that little person like reading or as studying become their hobby. You need to know that reading is very important and book as to be the factor. Book is important thing to add you knowledge, except your own teacher or lecturer. You will find good news or update with regards to something by book. Many kinds of books that can you choose to use be your object. One of them are these claims Bridges.
