FRESH MILF

I've always dreamed of college as a sort of paradise, a place where you met different women every day and end up with them every night. But there's one problem in paradise... See, I'm going into school as a college freshman, and I've never actually done the deed. I'm watching some college-themed dirt on my laptop one evening, prepping myself you might say, when suddenly my stepmom walks in on me and all the awkwardness you could imagine ensues. And what's worse, she's supposed to be taking me to college in a few days, a four hour drive. Things go off mostly without a hitch, though, until everything gets unpacked and then.....

This book contains adult themes, harsh language, and is not intended for under eighteen.
