It Must've Been Something I Ate

Jeffrey Steingarten

It Must've Been Something I Ate Jeffrey Steingarten

In this outrageous and delectable new volume, the Man Who Ate Everything proves that he will do *anything* to eat everything. That includes going fishing for his own supply of bluefin tuna belly; nearly incinerating his oven in pursuit of the perfect pizza crust, and spending four days boning and stuffing three different fowl—into each other-- to produce the Cajun specialty called “turducken.”

It Must've Been Something I Ate finds Steingarten testing the virtues of chocolate and gourmet salts; debunking the mythology of lactose intolerance and Chinese Food Syndrome; roasting marrow bones for his dog , and offering recipes for everything from lobster rolls to gratin dauphinois. The result is one of those rare books that are simultaneously mouth-watering and side-splitting.
