Teaching Children Science: Discovery Activities and Demonstrations for the Elementary and Middle Grades (2nd Edition) Joseph Abruscato

Intended for both pre-service and practicing teachers, Teaching Children Science provides elementary science methods, content, and activities using Abruscato's "discovery approach" and presents contemporary ideas in a motivating, engaging writing style that captivates future classroom teachers and enhances his/her instruction in the science classroom. This text is divided into three parts: Earth/Space, Life, and Physical Sciences. Each of these three areas begins with a lesson and unit planning chapter followed by "A" Chapters presenting science content and "B" Chapters containing children's activities and demonstrations cross-referenced to the NSE K-8 Science Standards.
