African Wisdom Ellen Kuzwayo

The book provides a unique insight into folkloric African wisdom by analyzing and offering anecdotal usage of Setswana proverbs. The author recounts tales from her rural youth and explains her philosophy on the healing power of proverbs. Also contained are a selection of Setswana proverbs, each with a literal English translation and an explanation of its meaning. The subjects addressed include the individual, the society, and the family.

Gaye Lewis:

As a scholar exactly feel bored for you to reading. If their teacher requested them to go to the library as well as to make summary for some guide, they are complained. Just tiny students that has reading's internal or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring and also can't see colorful photographs on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this African Wisdom can make you experience more interested to read.
