The #1 *New York Times* bestselling prequel to *Sex and the City* is now a hit CW TV series! Get a sneak peek at the first two chapters of the novels that inspired the show:

*The Carrie Diaries* is the coming-of-age story of Carrie Bradshaw, one of the most iconic characters of New York City and our generation. Before *Sex and the City*, Carrie was a small-town girl who knew she wanted more. She's ready for real life to start, but first she must navigate her senior year of high school.

*Summer in the City*, the sequel to *The Carrie Diaries*, brings surprising revelations as Carrie learns to navigate her way around the Big Apple, going from being a country "sparrow"—as Samantha Jones dubs her—to the person she always wanted to be.

With her signature wit and sparkling humor, Candace Bushnell reveals the irresistible story of how Carrie met Samantha and Miranda, and what turned a small-town girl into one of New York City's most unforgettable icons, Carrie Bradshaw.
