The concluding instalment of the War of Vengeance saga.

For centuries, war has raged between the proud elves and unforgiving dwarfs. After many great battles and vicious sieges, many failed attempts at peace and bloody massacres, both the dwarf High King Gotrek Starbreaker and the elf Phoenix King Caledor II tire of war and seek to bring the conflict to an end - but neither will surrender. As the last battle of the war begins, the two kings meet in single combat to decide who will be the true master of the Old World. And only one of them will walk away.
