The **Machine Trades Print Reading** text is designed to help students develop the basic skills required for visualizing and interpreting industrial prints. The first four chapters present instruction in the fundamentals of print reading: visualizing shapes, line usage, title blocks, and dimensions and tolerances. Remaining chapters introduce and explain details common to industrial prints. The final chapter contains comprehensive review quizzes.

New features include:

- Strong emphasis based on industry standards.
- Electronic prints in PDF format to aid in teaching students.
- Expanded coverage on dimensions and tolerances, holes, contours, and angles.
