The New American Road Trip Mixtape Brendan Leonard

When your life plan explodes, you ask yourself the big questions: What do I really need in life? How can I make my life a work of art? Should I buy a house? Have kids? What is a life? Following in Kerouac and Steinbeck's tire tracks, a 32-year-old, post-breakup Brendan Leonard hits the road in search of healing and a new, post-economic-downturn American Dream. Sleeping in the back of a beat-up station wagon, he seeks answers—and hopefully, the occasional shower—in the postcard-worthy places of the American West. Part ballad to the romance of the road and part heart-searching treatise on the American Dream, *The New American Road Trip Mixtape* is Leonard's raw, often hilarious, barstool storytelling at its best.
