A God Who Hates: The Courageous Woman Who Inflamed the Muslim World Speaks Out Against the Evils of Islam Wafa Sultan

On Feb. 21, 2006, the Syrian-born and raised Wafa Sultan gave one of the most provocative interviews ever given by a Muslim woman on the Al Jazeera network. In the middle of the interview she told her male Muslim interviewer that it was her turn to speak. And, she did. She told him to "shut up". This simple, yet radical, act of a Muslim woman asserting herself in the face of a Muslim man, catapulted her to fame. Now, for the first time, Wafa Sultan tells her story and airs her provocative views in a book that pulls no punches in looking clearly at Islam and the threat it poses for the rest of the world. Her viewpoint and opinions were hard won: As an intelligent young girl who would someday become a psychiatrist, she grew up in Syria under the thumb of a culture ruled by a god who hates women and all they represent. It is from this kernel of female hatred at the heart of Islam that Wafa Sultan builds her case against the mullahs and their followers bent on destroying the West. *A God Who Hates* is a fiery book that will remind readers why, even at a time when we are reaching out to others, we must be ever-vigilant about the threat Islam poses towards the West.
