## **All My Rivers Are Gone: A Journey of Discovery Through Glen Canyon** Katie Lee

"Katie Lee's "All My Rivers Are Gone" is a unique book. It is a journal filled with strong emotions about a wondrous place on the American landscape. Her entries tell the sad saga of the decision to flood Glen Canyon on the Colorado River. Her words and songs make the canyon come alive and they provide a vivid picture of what has been lost.

"Katie Lee uses eloquent and forceful words to present a compelling case for restoring Glen Canyon. Her steadfast efforts to educate a new generation of activists about the beauty of this mystical place is important to us all.

"All My Rivers Are Gone" is an exciting trip to a magical place. It is a must for all those who care about rivers and our environment." —Dan Beard, former Commissioner, U.S. Bureau of Reclamation (1993-95)
