Baby Business: ABDL / Age Play Erotica Story Kimberley Clarke

During the day, the crèche was chaos. Full of crying and laughing and running around and shrieking. At night, though, after the kids had gone home - that's when I felt an attraction to it.

I'd walk past, with my trolley full of dirty cups, looking wistfully through the windows, at the pictures made with potato stamps, finger-paints, macaroni pieces. It all looked so simple in there...

Mary is a cute nineteen year-old, and sick of being let down. She's started a new job, making coffees for a team full of hot young advertising execs. Her favourite part of the place she works is the crèche. One day, after work hours, **she takes a trip to the crèche to explore, only to get caught by her handsome older boss.**

Rather than disciplining her, **the boss decides there's nothing Mary needs more than a bit of attention, and he sets about caring for her in a way that makes her feel 'newborn' again...**

This story contains ageplay/ABDL themes, a grown woman getting cleaned and fed with breast milk, and graphic scenes of a sexual nature. For discerning readers only!
