Car Restorer's Manual Lionel Baxter

The restoration of a classic car can, at first, seem like a daunting task. Based on the author's 50 years' experience of restoring classic cars, this book explains how to plan a restoration project and carry out the tasks required, safely and efficiently to a good standard. Advice is given on buying a suitable vehicle for a restoration project, and the techniques involved in the renovation of chassis, bodywork, engine and drive train, running gear and electrics are described using easy-to-understand text and illustrations. Here is an invaluable guide for anyone contemplating the restoration of a classic car.
