Sara and her stepbrother return to college, where they continue their Adult nursing relationship.

Running in gym class with enormous milking breasts proves to be harder than Sara imagined. Not to worry, Robert comes to her aid by suggesting that she talk to her gym teacher, and convince the man to let her skip class.

But Sara has a better idea.

Being that the man has been eyeing her bouncing bombers for sometime now, she has no doubts he'll see things her way, after she offers him the chance of a life time... helping her milk her giant orbs before class.
