Creation: Law and Probability (Theology & the Sciences) Fraser Watts

Ten illustrious contributors explore an important but neglected topic on the interface of science and theology, i.e., the relationship between law and probability within creation. They look at this topic in a broad way: (a) from a variety of different disciplines, including history and philosophy, as well as theology and science; (b) in relation to a variety of different sciences, including cosmology, evolutionary biology and neuroscience; and (c) in a dialogue of different faith traditions.
