Mom is Reading says of **Legally Wedded** : I loved the story! There were so many twists and turns thrown at Morgan and Josh. The situation just kept getting more complicated. I couldn't stop reading! I wanted to see what happened. I wanted to see more of their interactions with each other. I wanted to see them get their happy ending!
If you're looking for a light-hearted, sigh-inducing romance, then read this book!

CJ Anaya Author of The Healer Series says: This love story was ridiculously good. I loved the originality of the plot and the sizzle and spark between the two love interests. Morgan and Josh have so much delicious chemistry, and that build-up between them pulls you forward, making you continue to turn those pages even when it's two o'clock in the morning and you should probably consider getting some sleep. Not possible with this book. No sleep for me. Geez.

JULIA says: I ended up staying up until Midnight reading Josh and Morgan's story and loving every minute of it! I forced myself to put it down so I could get some sleep - besides, I soooo did not want to find out how this story ended in a haze of sleepiness!

Tamra Tilton says: If you are looking for a fun clean romance look no farther. Be warned you might lose sleep over it because you will not want to put it down even when the clock is telling you 2am is way too late to stay awake.

'grimm says: LOVE! LOVE! LOVE!!!!!! So funny. I love her one line zingers. Makes me literally laugh out loud. I love these kinds of books, light, funny, sweet, romantic escapes.
