## **Things Left Unsaid: A Novel in Poems** Stephanie Hemphill

Sarah used to be the good girl. The one who always had her hand raised in class, always obeyed her parents. Until she met Robin. Once Robin comes into the picture, Sarah's life changes. Her closet begins to fill with black clothes. Good grades become something to be studiously avoided. And maintaining her other friendships doesn't seem so important anymore. Sarah thought she knew Robin. But Robin eats danger for breakfast, pushes the limits way too far, and forces Sarah to question everything in her life-everything Sarah thought she had wanted. In stunning verse, this novel slowly reveals the complexities of friendship-the power it has to define, destroy, and eventually heal again.
