How to Really Love Your Child

Ross Campbell

How to Really Love Your Child Ross Campbell

"Most children doubt that they are genuinely, unconditionally loved," declares Dr. Ross Campbell, a noted psychiatrist who for many years has specialized in working with young children.

From a distinctly Christian viewpoint, *How to Really Love Your Child* can help you as a parent manifest love to your young child in all situations of child-rearing—from positive eye contact and physical touch to effective discipline and spiritual nurture.

First published in 1977, *How to Really Love Your Child* has become a classic, and is now translated into nearly 20 languages, including Russian. A highlight of this updated edition is a new chapter on handling a child's anger.

Follow Dr. Campbells' advice in this book, and you can come closer to indeed being the successful parent you want to be.

Ross Campbell, M.D. is an associate Professor of Pediatrics and Psychiatry at the University of Tennessee College of Medicine. His other books include *How to Really Love Your Teenager* and *Kids in Danger*. Dr. Campbell and his wife, Pat, have four grown children.
