Sociologists in Action on Inequalities: Race, Class, Gender, and Sexuality

Sociologists in Action on Inequalities: Race, Class, Gender, and Sexuality, by Shelley K. White, Jonathan M. White, and Kathleen Korgen, is a brief anthology of original readings that are perfect for Race and Ethnicity; Race, Class, and Gender; Introduction to Sociology; Social Problems; Social Inequality; Senior Capstone and other courses taught through the central lens of diversity. Like its companion *Sociologists in Action* volume, on social change and social justice, this collection brings together dozens of accounts of sociologists who are using their sociology to make a positive impact on society. Each of the 30 selections describe, through firsthand experience, how sociology can be used to address enduring problems of prejudice and discrimination based on race, nationality, class, gender, and sexuality. Discussion questions and suggested readings and resources at the end of every chapter will provide students with opportunities to delve further into the topics covered and help create full and nuanced discussions, grounded in the "real world" work of public and applied sociologists.
