Writing Analytically David Rosenwasser, Jill Stephen

The popular, brief rhetoric that treats writing as thinking, **WRITING ANALYTICALLY**, Fifth Edition, offers a series of prompts that lead you through the process of analysis and synthesis and help you to generate original and well-developed ideas. The book's overall point is that learning to write well means learning to use writing as a way of thinking well. To that end, the strategies of this book describe thinking skills that employ writing. As you will see, this book treats writing as a tool of thought--a means of undertaking sustained acts of inquiry and reflection.
