This book instructs on how to chalk paint and re-invent pieces of furniture to update and decorate your home. Some furniture is re-purposed into uses they were not originally intended for, and I will discuss what this popular trend is all about.

I will explain different finish techniques and where you would apply such techniques as to the use of your painted piece. Homemade chalk paint recipes and mixing procedures can save you money. There really is no need to buy expensive brands of chalk paint or finishes. Mixing your own paint is easier than you think!

There are sanding techniques to get the look you want on your furniture re-do projects. Beauty can prevail in antique furniture or mid-century modern furniture. You can be proud of the skills you master when purchasing this book. You may be more talented than you ever thought you could be.
