Kingmaker Kingbreaker Collection Titles in This Set: The Prodigal Mage, A Blight Of Mages, The Awakened Mage A Blight Of Mages (Kingmaker Kingbreaker 3) Hundreds of years before the great Mage War, a land lies, unknowing, on the edge of catastrophe... Barl is young and impulsive, but she has a power within that calls to her. In her city, however, only those of noble blood and with the right connections learn the ways of the arcane. Barl is desperate to learn-but her eagerness to use her power leads her astray and she is banned from ever learning the mystic arts. Morgan holds the key to her education. A member of the Council of Mages, he lives to maintain the status quo, preserve the mage bloodlines, and pursue his scholarly experiments. But Barl's power intrigues him-in spite of her low status. Together, he realizes they can create extraordinary new incantations. Morgan's ambition and Barl's power make a potent combination. The Prodigal Mage (Fisherman's Children) The weather magic that holds the kingdom of Lur safe is failing, and the earth feels broken to those with the power to see. Among Lur's sorcerers only Asher has the skill to mend the antique weather map that governs the seasons, keeping the land from being crushed by natural forces. Yet when Asher risks his life to meddle with these dangerous magics, the crisis is merely delayed, not averted. Asher's son Rafel has inherited his father's talents, but has been forbidden to use them. The Awakened Mage (Kingmaker Kingbreaker Book 2) Prince Gar now has the magic for Weather Working and is able to keep his enemies at bay, while Asher has become the most powerful Olken in the history of Lur. Peace and prosperity seem assured for the two of them. But Morg, the evil sorcerer mage, remains trapped inside a shattered body. He knows his time is running out and that desperate measures are called for. Unwittingly, Gar and Asher become caught up in a dangerous deception...
