**National Geographic Little Kids Look and Learn: Count** National Geographic Kids

Kids never get tired of counting and neither does *National Geographic Little Kids*. Introducing *National Geographic Little Kids Look & Learn: Count!* This first installment in the series of *Look & Learn* will keep kids engaged for hours. Using gorgeous animal photography, children will learn number recognition through observational learning in isolation and in context—an important early learning concept. Each animal appears isolated on the page and associated with a number, and on the following page, the same number of animals appear in their natural environment. Parents will love watching their kids grow and learn with this fun new companion that is the perfect size for little hands to take everywhere.
