**The Changeling and the Cupboard (The Complications of Being Lucy) (Volume 1)** GuS Kenney  
NEVER GO INTO THE PARK. Lucy was never afraid of the dark. She never questioned her family. She never thought that the world of logic and science could be a lie. But on her ninth birthday everything changed when a strange boy came into her life from the very lands she was forbidden from ever entering and she finds herself immersed in a conspiracy that was created before she was born. Her reality is shattered by the existence of magic and things of legend. The bonds of family are tested by a lifetime of deception and the truth of who she actually is becomes the least of Lucy's torments. For someone has unleashed a nightmare, and Lucy, her family, and her new friends, are soon on the run from a creature that even darkness fears.
