Asset Building and Community Development Gary Paul Green, Anna L. (Lyn) Haines

In **Asset Building and Community Development** Gary Paul Green and Anna Haines provide an engaging, thought-provoking, interdisciplinary overview of the community development field. They explore the history of the community development movement in the United States and in international settings. Using an asset-based approach that considers human, physical, social, financial, and environmental capital, the authors skillfully demonstrate how local organizations are better able to meet community needs than governmental programs or market strategies.
