The message for the New Millennium presents a vision of Awakening which reveals the human face of the Buddha. It is essential at this moment in our evolution to return to a more realistic perspective of enlightenment. Most seekers cannot relate to the concept of enlightenment for they feel intimidated by the image of the 'flawless' Buddha. Here, the Human Buddha is no longer a spiritual superman who denies natural longings, desires and human imperfections. The Human Buddha is indeed a sensitive being, a child of the Beloved like all of us. The Human Buddha openly acknowledges the gentle and vulnerable quality of his or her heart.
