My First Word Book introduces your child to the words that make up his or her world. Designed by educators to help increase your child's reading vocabulary, this exciting workbook encourages independent learning by emphasizing over 200 of the most common words your child might use in his or her everyday speech--words such as mother, cookie, boots, and monkey. In addition, *My First Word Book* features over 100 peelable word and picture stickers, a tracing exercise on every page, and 5 pull-out practice pages featuring 25 of the most challenging words.

Though simple enough for a child to use alone, *My First Word Book* has been designed for both the parent and child to enjoy together--looking at the lively art, naming objects, identifying words and listening for sounds.

It's fun! It's interactive! And best of all--it's educational!
