**Platonic Theology, Volume 2: Books V-VIII (The I Tatti Renaissance Library)** Marsilio Ficino

The *Platonic Theology* is a visionary work and the philosophical masterpiece of Marsilio Ficino (1433-1499), the Florentine scholar-philosopher-magus who was largely responsible for the Renaissance revival of Plato.

A student of the Neoplatonic schools of Plotinus and Proclus, he was committed to reconciling Platonism with Christianity, in the hope that such a reconciliation would initiate a spiritual revival and return of the golden age. His Platonic evangelizing was eminently successful and widely influential, and his *Platonic Theology*, translated into English for the first time in this edition, is one of the keys to understanding the art, thought, culture, and spirituality of the Renaissance.
