Why: The Greatest Question Ever Asked Randy Stroud

The greatest question ever asked can be summed up with one word. . . ."Why"? Why has propelled us into a world filled with religion, politics, philosophy and a great lack of understanding within world-culture. In this publication, I seek to challenge the status-quo and address topics that many politicians and world leaders refuse to touch. Foreign policy, religion, revolutionary movements, and what is at stake for our future generations. Remove the chains of nationalism and dare to see the other side of the coin. Dare to think for yourself, and question authority.
