I was walking down Main Street in my sexy little dress when a hot black biker on a Harley almost ran me over. It turned out his name was Crash, and he definitely wanted to get with me nasty and raw. **My fantasy has always been to be totally fulfilled by a huge black stud, especially since my hubby Bryan just wasn't doing it for me in the sack.** I brought Crash home with me, and when he told Bryan he was going to give me what I needed, my husband was shocked. **He was even more shocked when I told him he had to watch Crash and I get it on,** and take care of himself while doing it! **He was ashamed but also turned on** by what was happening right in front of him! **Things got really messy, especially around back, but when Crash and I got done, Bryan had one more task to complete...**
