Forget searching for the right job—start building a life in which you don't need a job. A job-free life is possible, and you have options about how to achieve it. This book provides real-world examples of people who have successfully quit the rat race using four different strategies: extreme saving, unjobbing, lifestyle businesses, and startups. Whether you want to achieve financial independence and retire early, or simply never work for anyone else again, this book provides an essential guide to the different lifestyle-design strategies open to you. An inspiring and concise introduction to job freedom and financial independence, by someone who has achieved both.
