Excerpt:

His eyes looked even sleepier when he pulled away. She let him take her by the hand and lead her to the bed, little shivers erupting over her body as he did so. He undressed her slowly, sensually. His tongue found every bared bit of flesh and his hands caressed her in ways she had never known it was possible to be touched. The bra went first, leaving her nipples free and vulnerable to the onslaught of his tongue and teeth and lips. He squeezed the fleshy globes while the peaks hardened in his mouth and her hips pressed against his again as he cupped her ass cheeks again and then carefully removed the girdle, the stockings, the garters and the shoes.
