## **Search The Scriptures (OUT OF THE DARKNESS) (Volume 1)** Benjamin Baruch

The Lord has thrown a pillar of righteousness from the heavens to crush the head of the serpent and you are holding it in your hand. The wisdom of God is contrary to the way of our natural minds; we believe we need to be strong, and the last thing we want is to become weak or come to the end of ourselves. We have a survival instinct which causes us to just keep on keeping on with the works of the flesh; one more time around the mountain, one more attempt in our own strength and maybe, if we tell the same story one more time, it might finally become the truth. But it never does, and the flesh always produces the same bitter harvest, always bringing forth the same briars and thorns. Volume One: Out of the Darkness, is about coming out of the denial, and out of the shadows so that we may enter into the secret hiding place of the Most High God, because it's not in the shadows, and you won't find it in the darkness, nor will we find it, if we allow the darkness to remain hidden within our own hearts. It also cannot be found through pretending, and many of us have become very skilled at pretending. Some of us even confused pretending with faith, thinking if we just pretend long enough, and believe hard enough that the pretense is real, something magical is going to happen, and God is going to turn our lies into the truth, but God does not turn lies into truth; lies remain lies for as long as we hold onto them and hide them within our hearts. When we finally find the courage to search our hearts, and trust Jesus enough to obey him, then we'll finally embrace the truth, and we will finally be ready to let the truth come out of us. Coming Out of the Darkness is the first step in finding the truth that will set us free.
