The Dark Side of Genius: The Life of Alfred Hitchcock (Part 2 of 2)(Library Edition) Donald Spoto
[This is Part 2 of a 2-part Audiobook CASSETTE Library Edition in vinyl case.]

[Read by Jeff Rigenbach]

This is the definitive life story of Alfred Hitchcock, the enigmatic and intensely private director of *Psycho*, *Vertigo*, *Rear Window*, *The Birds*, and more than forty other films. While setting forth every stage of Hitchcock's long life and brilliant career, Donald Spoto also explores the roots of the director's obsessions with blondes, food, murder, and idealized love--and he traces the incomparable, bizarre genius from Hitchcock's English childhood through the golden years of his career in America as one of the greatest directors in the history of filmmaking. Based on interviews with his writers, actors, and longtime associates, and on exhaustive research, *The Dark Side of Genius* is the definite biography of Alfred Hitchcock.
