Jaci Wright has been running from the Falladay twins, Chase and Cam, for seven years now. Fears of the desires they arouse in her, and the knowledge of the relationship they wanted with her, spurred her to run, to find a life that kept her traveling the globe and out of their reach...

But now life has come full circle. A new job has placed Jaci in the Sinclair mansion with Chase and Cam. And they're tired of waiting. It's hard enough to face accepting a relationship with two men rather than just one, but gossip and the tattered tales of juicy secrets fill the society she now moves within. Can she face the world knowing she's a lover to both men, or will her hesitancy and her fears destroy her chance of happiness forever?
