Gender-swapped Fairy Tales: Snow-White and Rose-Red & Bearskin Eve Sinning, Brothers Grimm

The two classic Brothers Grimm stories of Snow-White & Rose-Red, and Bearskin are turned on their head and given new life in these original new gender-swapped retellings. With the gender of every character swapped, the young maid becomes the young man, Queens become Kings and the heroines of these well-loved stories become heroes instead.

By swapping the genders these stories can be read in a new light and from fascinating modern perspectives. In these stories, women are driven actors and strong characters who choose their own destiny and strike out their own paths – taking the initiative and leading the action on every page. These stories celebrate the strength and endurance of female friendships, and praise female characters for their intelligence, daring and honesty.

Meanwhile, the actions and motivations of male characters are turned on their heads and they are given new freedoms and motivations. Men are praised for their beauty, their gentleness of spirit and their kindness to others, and the loving bond between brothers is explored and celebrated.

Subversive and surprising, these gender-swapped re-tellings of two classic Brothers Grimm stories will make you see your favourite fairy tales in a whole new light!
