David Ehrenstein

Open Secret: Gay Hollywood--1928-2000 David Ehrenstein

Part social history and part exposé, this revealing, entertaining, and provocative book spans nearly seventy years as it explores the lives and careers of some of the silver screen's foremost gays and lesbians and the effect of their high-profile lifestyles on the general public. From Charles Laughton and Greta Garbo to Nathan Lane and Ellen DeGeneres, David Ehrenstein traces the gradual transformation of Hollywood from a time when it was box-office poison to be publicly gay to the modern era when many top entertainment figures are celebrating their gay sexuality--and are in turn celebrated for it. Updated, *Open Secret* reveals what has happened to the key players in gay Hollywood since the original hardcover publication.
