A must-have commemorative volume that presents material from the classic illustrated history *The Vietnam Experience*, now anthologized for the 50th anniversary of the war.

When it was originally published, the twenty-five-volume *Vietnam Experience* offered the definitive historical perspectives of the Vietnam War from some of the best rising authors on the conflict. This new and reimagined edition updates the war on the fifty years that have passed since the war's initiation. The official successor to the Pulitzer Prize–nominated set, *The American Experience in Vietnam* combines the best serious historical writing about the Vietnam War with new, never-before-published photos and perspectives. New content includes social, cultural, and military analysis; a view of post 1980s Vietnam; and contextualizing discussion of U.S involvement in the Persian Gulf, Iraq, and Afghanistan. Even if you own the original, *The American Experience in Vietnam* is a necessary addition for any modern Vietnam War enthusiast.
